## THE TALK OF THE CAMPUS

### *Around The Campus*

WITH its emphasis on education at Commencement, Juniata awarded 108 degrees to its largest group of June graduates in Oller Hall on June 5. The class of 73 men and 35 women represented 26 counties in Pennsylvania, four states, the District of Columbia and Austria.

One of the leading educators in the East, Dr. Cornelis W. deKiewiet, acting president of Cornell University, delivered the Commencement address. He stressed to the graduates that "you are leaving school to live the life for which your education has prepared you. You are going to work." And he spoke to them about work.

Following the address by Dr. deKiewiet, President Ellis conferred 77 bachelor of science degrees and 31 bachelor of arts degrees. Six of 108 were graduated with honors with Ned F. Walter, a chemistry and biology major from Claysburg, leading the class. He was graduated summa cum laude after recording one of the finest academic records in the college's 74-year history. Robert A. Lefever of Huntingdon (formerly of York) was graduated magna cum laude. Students receiving cum laude honors were: Donald L. Carn, Claysburg; Richard C. Coffman, Huntingdon; Thurman T. Grossnickle, Boonsboro, Md.; and Margaret Ann Roop, Downingtown.

Walter and Lefever, both married veterans, also shared prize honors by

receiving \$100 each from the Dr. Andrew B. and Maria F. Brumbaugh Science Fund. A McVeytown girl, Elma F. Stine, won the Justina Marsteller Langdon prize of \$50, and Mrs. Katharine Long Padgett of Baltimore, Md., was the recipient of the \$25 Women's Work Council award presented by the Middle District of Pennsylvania, Church of the Brethren.

This year's senior class president, Joseph L. Beyer '50 from New York City, has been appointed assistant to the director of admissions at the college beginning September, 1950. Beyer succeeds Jack C. Buckle '48, Cumberland, Md., who will enter Syracuse University for graduate work.

The weather man smiled with favor on Queen Ilene Altemus '50 of Homer City, Pa., and her court as sunny skies and a light breeze brought a large crowd to Sherwood Forest to witness the traditional May Day. Transformed into an English country garden, Sherwood became the scene of a delightful Juniata version of the original old English country May Day in which all the action and dancing is centered around the queen. The pageant was directed by Miss Jane E. McCormick, instructor in physical education, and Lois P. Esaley '50, student director.

The International Relations Club will award a \$100 grant-in-aid to a

Juniata student of junior standing for study and travel abroad. According to the club's proposal, the purpose is "to promote and to advance on the campus our knowledge of other nations, our sympathy with their problems, and thus to exert a real influence upon the attainment of international understanding and good will."

A member of the faculty of the music department, Miss Marion B. Thomas, established herself as an outstanding young artist this spring with a piano recital in Oller Hall. Miss Thomas is a graduate of Oberlin College Conservatory and holds a master's degree in music from the University of Michigan.

At least 65 students and eight faculty members battled the Huntingdon area's worst forest fire in 10 years in May for a total of 390 man hours. The students averaged six hours per man in combating the wind-fanned blaze on Warrior Ridge which threatened scores of homes including those of Dr. Donald M. Rockwell and Prof. S. Earl Dubbel.

\* \* \*

Six religious organizations have united to form the Juniata Christian Association to provide a more effective religious program at the College. Four phases of campus religious life will be fulfilled by the association—Christian heritage, personal-campus affairs, social respon-

sibility, and world relatedness. Donald H. Trease '52, Williamsburg, Pa., has been elected president of JCA.

Three seniors and nine juniors were named to the Juniata College honor society this spring. Members selected on a three-fold basis of scholarship, broad cultural interest and moral integrity were: Donald L. Carn, Claysburg; Mildred M. Rosenberger, Quakertown; and George R. Wolf, Philadelphia, all seniors; John H. Baldrige, Tyrone; Elsie M. Beard, Westminster, Md.; John R. Comerford, Washington, D.C.; Gerald F. Hartzel, Souderton; Dorothy Ann Humphreys, Huntingdon; Edwin H. Marschka, Erie; Howard Montgomery, Rockhill Furnace; Quayton R. Stottlemeyer, Waynesboro; and Holmes B. Ulsh, Huntingdon, all juniors.

Juniata's annual Summer Term opened on June 19 with two visiting instructors in modern languages, one in music, and one in economics and business administration. Dr. Ruth Domincovich, educated at Radcliff and the University of Pennsylvania, is instructing Second Year French and Gunther Ruff, who received his degree from Juniata, is teaching German. Mrs. John Strait joined the staff to teach piano and organ. A Syracuse graduate, Dr. S. Lees Booth, came on the Summer faculty and will remain to head the department of economics and business administration on the regular staff.

The construction of a cabin to be used for outings by Juniata College was begun in late March. Members of the Outing Club and other interested students and faculty joined in working on the cabin during Spring vacation. The site is nine miles from Raystown Dam and a half a mile from the Juniata River on a 23-acre tract leased to the college at a nominal sum by Emory A. Zook '06, Hesston and Frank C. Ashe '10, Pittsburgh.

When it was May Day time again, students at Juniata College selected this vivacious quartet of senior coeds as their queens of beauty. Left to right: May Queen Ilene Altemus, Homer City, Pa.; Margaret Long Clemmer, Hagerstown, Md., matron of honor; Elma F. Stine, McVeytown, Pa. and Kathleen Foster, Huntingdon, Pa., attendants. Miss Altemus was crowned queen during the college's annual May Day ceremonies Saturday, May 13.

## Campus Leaders

THE first non-veteran president of Juniata's student government in four years was elected by students in all-college elections this spring. He is Vernon C. Showalter '51, business administration major from Mt. Pleasant, Pa.

Other officers elected were: Hilton R. Hines, Carney's Point, N.J., vice-president; Dorothy Ann Humphreys, Huntingdon, secretary; and Donald K. Howe, Jr., Caldwell, N. J., central treasurer.

The remainder of the offices for the 1950-51 Senate have been filled as follows: Charles E. Allison, Johnstown, underclassmen; David L. Armacost, Baltimore, Md., publications; Lorena A. Hebrank, Jeannette, general activities; Ruth K. Kimble, Stuarts Draft, Va., women's house; J. Robert Elder, Burnham, social activities; Robert M. Keim, Holsopple, athletics; Ray K. Kreider, Pal-

myra, men's house; and Donald H. Trease, Williamsburg, religious activities.

Election of class officers was held along with the Senate voting. Results are:

Senior class (1951)—President, Walter M. Bush, Alexandria; Vice-president, Quayton R. Stottlemeyer, Waynesboro; Secretary, Erla Mae Weist, Ephrata; Treasurer, Hilton R. Hines, Carney's Point, N.J.

## Into the 75th Year

JUNIATA College began its 75th year on April 17 as the Rev. Paul M. Robinson, then president of the alumni association, praised the role of the liberal arts college and described it as "the backbone of our democracy and our educational system."

Dr. Robinson addressed the entire student body, faculty and staff at the observance of the founding of Juniata College. Juniata was founded on April 17, 1876.

The Hagerstown, Md., pastor cited particularly the "influence of Juniata College" in the educational system. In expanding this point, he stressed "what Juniata has meant to me as an alumnus" and he relayed his impressions by noting: 1—emphasis on spiritual values; 2—emphasis on the individual by personal contact.

"Education ought to do more than teach a person how to make a living," Dr. Robinson maintained. "It ought to teach people how to live."

A reception for faculty and administration who have served Juniata College for ten or more years was held in the Faculty club.

\* \* \*

A 14-member committee representing the students, faculty, trustees, alumni and the community, has been appointed by Henry B. Gibbel, chairman of the board of trustees, to plan Juniata's 75th anniversary celebration.

The first meeting of the group was held on June 3 of Commencement weekend to formulate plans for the special celebration which will be held April 15-17, 1951.

Chairman of the committee is Harold B. Brumbaugh, assistant to the president and alumni secretary. President Calvert N. Ellis will serve on the committee. Representing the trustees are Donovan R. Beachley, Hagerstown, Md.; Albert O. Horner, Pittsburgh, Pa.; and Joseph V. Kline, Scarsdale, N.Y.

Faculty representatives are: Dr. Morley Mays, dean of the college; A. William Engel, Jr., registrar and di-

SOLLENBERGER

SWIGART

## Officers Named

STATE legislator D. Raymond Sollenberger '25 of Williamsburg, a representative from Blair county, has taken over as president of the national alumni association and has pledged "full cooperation" to the college as it prepares to celebrate its 75th anniversary.

The gavel was turned over to Representative Sollenberger by the Rev. Paul M. Robinson '35, Hagerstown, Md., as the climax of the college's 54th annual alumni luncheon on June 3. Incidentally, Sollenberger, who served as acting dean of students at Juniata this year, was attending his quarter-century reunion.

Announcement was made at the same time of the election of John W. Swigart '30, Huntingdon insurance executive, as alumni representative on the college board of trustees. Swigart, president of Swigart Associates and son of the late W. Emmert Swigart '06, succeeded George L.

rector of publicity; Mrs. Jane Miller Crosby, assistant professor of home economics; and Prof. J. Clyde Stayer, assistant professor of mathematics.

Students on the committee are Betty L. Longwell, Tyrone, and Vernon C. Showalter, Mt. Pleasant, president of Student Senate. D. Raymond Sollenberger, a state legislator and president of the Juniata College Alumni Association, represents the alumni.

Community committeemen are Eugene T. Shore, city editor of the Huntingdon Daily News, and Mrs. Betty Swigart, prominent Huntingdon civic leader.

Detweiler '28, Waynesboro, whose term expired.

Other officers of the alumni association for 1950-51 will be: Dr. Robert B. Patrick '26, assistant professor of education at the Pennsylvania State College, first vice-president; Miss Lois J. Harner '30, dean of women at Slippery Rock State Teachers College, second vice-president; William Van Horn '40, Bedford attorney, executive committee member.

Looking on as the new alumni president took command were the members of the class of 1950 who were inducted into the alumni association as part of the Alumni Day festivities. Earl W. Dickey '27, Altoona, conducted the induction and the acceptance was made by Joseph L. Beyer, president of the class.

The guest speaker for the luncheon was Dr. Meyers B. Horner, superintendent of schools in Washington, Pa. He stressed to all that "this institution is the length and shadow of two families—the Brumbaughs and the Ellises." He cited some of the fine principles which these families have established.

The reunion classes—the "O's" and "5's"—were grouped together in the new dining hall extension and were presented by President Robinson. Later in the evening many of these classes assembled in various locations for reunion banquets.

## General Information Winners

A senior history major, Sherwood S. Cordier of Indiana, Pa., won first prize in the General Information Contest at the college this spring. Runner-up was David Kennedy, another senior history major, Tarentum, Pa. The contest was established by the late Joseph F. Biddle, editor of The Daily News, Huntingdon.

## Leave For Miss Doyle

Miss Esther M. Doyle, assistant professor of English at Juniata College, has been granted a one-year leave of absence to accept a teaching fellowship at Northwestern University.

## New Grading System

A NEW system for final grading has been adopted by the faculty at Juniata College, according to Dr. Morley Mays, dean of the college.

Beginning with the Fall term, 1950-51, the letter grades, A, B, C, D, and F will replace the numerical grades now in use for final grading.

No numerical equivalent will be used but letter grades will be defined as follows: A—distinguished attainment, B—attainment above average, C—average attainment, D—lowest passing grade, F—failure.

The new system for final grading will duplicate the letter system used for mid-term grading except that pluses and minuses will not be used in the final mark.

According to a faculty committee which submitted a report advocating the change, "numerical grading system seems to imply that in adjudging a student's attainment it is possible to determine with mathematical exactitude the precise quantitative number which properly indicates his achievement."

Dean Mays pointed out that the new grading system does not change any requirement for graduation.

## College Receives Bequest

THE College has received \$10,000 as a bequest from the estate of the late Rev. W. Clay Wertz NE '04 who died at his home in Waynesboro on April 15, 1950. Mr. Wertz, retired treasurer of the Landis Machine Co., left an estate valued at \$70,000 "and upwards."

After providing for his widow, Ella, and daughter, Mildred W. Crawford, Mr. Wertz made provision for \$40,000 in charity bequests.

In addition to Juniata College, cash gifts were stipulated as follows: Church of the Brethren of Waynesboro, \$10,000; Waynesboro Hospital, \$5,000; Waynesboro Y.M.C.A., \$5,000; General Brotherhood Board of the Church of the Brethren, \$10,000.

## Sam Shuns Royalty

"HE may be a prince back home, but Sam Apprey is just another Joe on the campus of Juniata College in Huntingdon, Pennsylvania."

That's the way the lead paragraph read on a widely transmitted United Press story about Samuel C. Apprey, 22-year-old pre-dental freshman who journeyed all the way from Africa's Gold Coast to study in the United States.

Sam, who was one of 13 foreign students at Juniata during the Spring term, apparently doesn't think much of this royalty racket. He says he has no intentions of becoming a chieftain when he returns to his home in Sekondi.

In Sam's case, his uncle is chief of Central Province in the Gold Coast—a position gained after Sam's father abdicated. That has made Sam a prince.

But Prince Sam claims that he, and his four brothers, have no desire to inherit the crown. Sam explains: "We'd rather remain independent."

## For Fun and Relaxation

AN idea launched last year—Alumni Vacation Week—will be repeated again this summer. You'll want to plan for it now.

For eight days, beginning July 29, old grads, former students and old and new friends of the college will have an opportunity to return to the campus for an inexpensive vacation.

Once again the vacation week has been designed for the entire family. You'll enjoy the mountain air, a well-balanced program of recreation, concerts and lectures—a far cry from the usual crowded tourist accommodations.

Comfortable rooms in one of the dormitories and a place at a dining hall table will be provided in the fee of \$3.50 per day.

## Cheaper By The . . .

COUNT 'em—five! A quintette of farmerettes arrived in the home of **Genevieve (Bauermaster)** and **Robert Glessner** in four years' time and pair by pair.

During the three years that her husband was in the service overseas, Mrs. Glessner '36, taught school. Upon his return "we dreamed of having a family of four."

Months later, they were blessed with twins, Constance Kay and Ronald Jay. "Incidentally," writes Mrs. Glessner, "I have twin aunts and my husband has twin cousins." Two and a half years later, they had a son, James Stoy.

To round out their threesome and complete their "dream family" they hoped for another girl. In January of 1950, they again had twins, Robert Daryl and Roberta Carol. "We got our girl and an extra farmer besides." The Glessners own a 250 acre farm in Somerset County, Pa.

"We hope this is our family and we are mighty proud parents. Our family dream more than came true in having five children in four years' time."

## Top Honor For Juniatian

The Juniatian, student weekly newspaper, received an all-American rating from the Associated Collegiate Press for the first time in its 25-year history.

The award was for the 1949-50 Fall term at which time A. Robert Smith '50, Washington, D.C., was editor. The paper was one of seven college newspapers in its class to receive this rating for "superior achievement."

## Fireplace for Cabin

The graduating class of 1950 has presented the College with a fireplace for the new cabin which students are building near the Raystown branch of the Juniata river.

## Named Alfarata Editor

Quayton R. Stottlemeyer '51, a science major from Waynesboro, has been appointed editor of the 1950-51 Alfarata, student yearbook.

## Golfers On Top

**S**WEEPING through another season unbeaten, Juniata College's golfers now have notched 24 victories and one tie in 26 collegiate dual matches over a three-year period for the finest athletic record ever registered here.

The Indian teemen finished their 1950 season by winning the 11th annual Western Maryland invitational tournament for the second successive year in a record-shattering score. Juniata's total of 586 strokes for four-man teams topped Lehigh University by eight in the 10-team field.

In addition, Coach Ed Kiracofe's golfers have registered eight wins and one tie in dual matches. University of Pittsburgh tied the Tribe in the third match this season, but the team defeated Western Maryland, Dickinson twice, Westminster, Albright, Bucknell, Geneva and Johns Hopkins.

On Alumni Day, the varsity made it three in a row over the alumni in exhibition matches with a 7½-1½ triumph. Babe Matlack, Altoona, upset Ray Korody, the varsity captain, and Bill Dunkle, Huntingdon, tied Dave Bayer.

Only in their own Juniata College invitational golf tournament did the Indians fail to take top honors this season. They finished in a two-way tie with Lehigh for second to University of Pennsylvania.

Once again, Ray Korody, a 20-year-old junior from Greensburg, Pa., set the pace for the Juniata team. He was unbeaten this season in nine matches and copped second place in the Western Maryland medal tourney. Korody, a consistent low-70 shooter, has won 24 and lost only two in three seasons.

Led by Captain Korody, the Indian club swingers won 41, tied 3 of the 54 individual matches this year. Frank Stasenکو of Mount Union, lone senior on the squad, was runner-up to Korody with eight victories and one defeat.

ARCHITECT'S DRAWING OF MEMORIAL PHYSICAL EDUCATION BUILDING. . . .  
ANOTHER POSTWAR PROJECT UNDER WAY

## Contract Awarded For Memorial Gym

CONSTRUCTION of Juniata's memorial physical education building was given the green light by the board of trustees over Commencement weekend with the awarding of the general contract to Ritter Brothers of Harrisburg. Work actually began on the building on June 19.

The building will face to the west running lengthwise east and west. Its location is in the area north of 18th St. directly across from Geiger House. The entrance will be approximately 100 feet east of the walk to Cloister from 18th St.

In accepting the bid of Ritter Brothers, the board approved the recommendation of its building committee which okayed an overall cost of \$290,000. An additional contract for electrical work was given to Corcelius Electric Co., Huntingdon.

Actually it had been hoped to keep the cost of the building within the estimated \$250,000, but there were no bids submitted which made this possible.

The physical education building will be the second major objective in the college's postwar construction program and the principal project in the 75th year. It is anticipated that the completion of the gym will be one of the highlights of the diamond jubilee celebration next spring.

Juniata's physical education building will be dedicated to the 675 men and women of the college who served in World War II.

Designed by the architectural firm of John B. Hamme, York, the building will be approximately 112 feet by 180 feet with a ground floor level and mezzanine level. There will be a large main gymnasium area measuring 91 feet by 110 feet which includes a varsity playing floor of 50 feet by 90 feet.

On the same level will be a general locker room; a varsity locker room with 66 lockers; shower and toilet areas; a supply and equipment room; a training room; and a heat room.

Entrance through a memorial lobby will be at the mezzanine level. Off the 20 by 34 lobby will be the director's office; a staff office and showers; ladies and men's rooms; and ticket booths.

On the mezzanine level in the main part of the building will be two additional basketball courts on each side of the main floor but approximately 10 feet above it. This will provide four courts for simultaneous playing. Folding bleachers on the main floor will permit the seating of 1080 and space is provided for movable rolling gymstands on the mezzanine levels to seat an additional 1080.

At the rear of the building on the ground level will be two rooms 22 by 34 feet for use as class rooms or handball courts; an exercise room 26 by 34 feet; and the visiting team locker and shower rooms.

Alumni Donors to Athletic Awards in Juniata's Major Sports

## Sports Awards Set

TOP-RANKING athletes in five major sports will be recognized each year by sports-minded alumni of the college with the presentation of individual trophies.

President Calvert N. Ellis presented the first awards at the all-sports banquet to five outstanding athletes for 1949-1950. They were: Mike Dzvonar, West Aliquippa, unanimous choice as the outstanding football back; Aldo Bonomi, Aliquippa, top football lineman; Holmes Ulsh, Huntingdon, basketball; Joe Beyer, New York City, track; and Ray Korody, Greensburg, golf.

A sixth trophy for baseball was presented during the final game of the season on Alumni Day, June 3. It was won by Julius R. "Squeeze" Long, Roaring Spring.

The awards recognize excellence in performance, good sportsmanship and cooperation. Selection is made by vote of the varsity squad and coaching staff of the particular sport with the approval of the Athletic Council.

Donors of these awards—all of equal size and quality—are Dr. J. Harold Engle '23, Waynesboro, football back; George L. Weber '40, Reading, football line; Jack E. Oller '23, Huntingdon, basketball; J. Foster Gehrett '16, Pittsburgh, track; C. Blair Miller '49, Huntingdon, golf; and Charles F. Goodale, Jr. '39, New York, N.Y., baseball.

A biographical sketch about each of these donors will be presented later in the Alumni Bulletin.

JULIUS R. LONG '50  
Wins Mickle Trophy 2nd  
Alumni Baseball Award

## 'Squeeze' Wins Honors

JULIUS R. "Squeeze" Long of Roaring Spring, one of Juniata College's finest all-time competitive athletes, was awarded the Stanford Mickle Athletic Award at Commencement exercises.

By winning Juniata's top award for athletes, Long added to his weekend honors. On Alumni Day, he won the trophy as the "most outstanding baseball player" presented as one of six alumni awards.

Long has had an outstanding four-year record in football and baseball. This season, for example, he led the baseball regulars in batting with a .302 average. As defensive halfback in Bill Smaltz's winning football combination last season, Long was regarded by his coach as a "natural." He was praised as a fine team player.

Long proved to be an offensive threat by scoring three touchdowns

including an 82-yard runback of the second half kickoff against Dickinson. During the past two years, he was one of the best targets for Meteor Mike Dzvonar. Both Long and Dzvonar will be candidates for degree in August.

In addition to receiving a cup, Long will have his name inscribed on a plate on a plaque which has been contributed by Mr. and Mrs. Russell S. Mickle of New Paris, the parents of Stanford. It will hang in the new physical education building.

The purpose of the award is "to recognize that graduating senior male who, like Stanford Mickle, loved athletics, participated and manifested wholesome interest in sports and contributed to the promotion of athletics at Juniata College."

Young Mickle lost his life by drowning in the Raystown branch of the Juniata river on May 14, 1942, while a sophomore at the college. The 18-year-old Bedford county boy had been a regular on the varsity baseball team and a member of the basketball and football squads.

The committee for selection of the Mickle award is composed of the president of the college, director of athletics, dean of students, student chairman of athletics and president of the Varsity J club.

Former winners of the Mickle award are John W. Henderson, Windber, 1949; Samuel E. Woffindin, Lansdale, 1948; and Charles N. Bargerstock, Jr., Lititz, 1947.

## Booklet Grabs Attention

AMONG the scores of requests for the 12-page booklet "Juniata Builds," as described in Public Relations News, was one from a public relations man in Ashland, Ohio, who said the booklet "might set my thinking process working."

It seems to have had the same effect on 113 readers of Public Relations News who requested the booklet from as far away as Vancouver, Canada. "Juniata Builds" was issued by the college "to report on the progress of the Postwar Fund for one million dollars and to encourage the continued support of Juniata's alumni and friends."

New York state led the field with requests with 17 followed by California and New Jersey with 10 each. Three were received from Canada.

Postmarks from Eugene, Oregon; Stillwater, Oklahoma; and the Homestake Mining Company in Lead, South Dakota, helped to make the letter opening more interesting.

A request was received from a professor at the University of Florida for 19 copies for a class in journalism. Also from Florida was a letter from the Hialeah Race Course. From the other side of the country came letters from the University of Redlands, Redlands, Calif., and the Hollywood Bowl Association.

The booklet appealed to a mahogany veneer dealer in New York City, a national wildlife federation, a home for children and a hospital for chronic diseases, and a national association of refrigerated warehouses. At their request, a copy of "Juniata Builds" was also sent to the Pep Boys, Manny, Moe and Jack.

## The President's Message

Once again I have the privilege of expressing heartfelt gratitude for the continuing generous support of alumni and friends of Juniata College.

It is of particular significance to note that one-tenth of the contributors to the alumni fund are members of the One Thousand or One Hundred Clubs. This record of achievement indicates very clearly that Juniatians are becoming increasingly aware of the outstanding position which their college occupies.

Naturally such results do not come without effort. I express my personal appreciation as well as gratitude for the college to each donor who assisted in the promotion of this fund.

President Calvert N. Ellis

# With The Alumni Secretary On The Banquet Circuit

Editor's Note: A report of the annual meetings of the local Juniata College Alumni Associations is presented here by the Alumni Secretary, Harold B. Brumbaugh, '33.

JUNIATA Alumni dinners were attended by 1074 persons in 18 local alumni associations this year. This is probably an all-time high in total attendance. Huntingdon county attendance exceeded all others with a total of 192 and second place honors were taken by Philadelphia with 119.

Next to the Alumni Secretary, the President-elect, D. Raymond Sollenberger, '25, was the most frequent campus representative. Dean Sollenberger visited Huntingdon, Blair, Bedford, Greensburg, and Cleveland. He was the principal speaker at the last three. Harold Brumbaugh was represented at all associations except California, Chicagoland, Kishacoquillas, and Cleveland.

The names of new officers, presidents and secretaries, of local associations are listed on the inside front cover of the Bulletin.

## O. R. Myers Day

**SUNDAY** Schools of Huntingdon county observed "O. R. Myers Day" on Sunday, April 16, 1950. On that day every Sunday School in the county planned a special program in his memory and lifted an offering for the purpose of erecting a memorial in his honor.

The Pennsylvania State Sabbath School Association will erect a memorial building at Camp Kanesatake in Spruce Creek Valley near Tyrone, this summer. Camp Kanesatake came into being largely through the untiring efforts of Prof. Myers.

The memorial building will house the boys who work at the camp during the summer. It will contain a spacious memorial lounge and large fireplace. The building also will be used for meetings of small groups and conferences during the year.

April 16 is the birthday of Prof. Myers, who was one of the most active workers in the Sunday Schools of Pennsylvania. Prof. Myers was professor of English and history at Juniata from 1904-24, treasurer and business manager from 1924-26 and treasurer from 1926-42.

## Alumnus Lauded for Correctional Project

"A new spark of hope for remaking man" is the gift given to society by Lloyd W. McCorkle '40, formerly of Altoona, Pa., the number three man in New Jersey's penal system.

McCorkle

Lauded for his work in a correctional project for criminals called Guided Group Interaction, McCorkle has been demonstrating the system in New Jersey's penal institutions for two years. It has been called "the most hopeful development in many years."

The story of the valuable work being done by McCorkle appeared in the May, 1950 issue of the Reader's Digest in a 12 page article entitled "Inside the Prison" by James Finan. McCorkle has also been given a Distinguished Service Award of \$2,500 for his "exceptionally meritorious contribution to public welfare."

The Guided Group Interaction plan developed during World War

II when McCorkle and Dr. F. Lovell Bixby, the acting director of the Army correctional program, first experimented with group discussion. McCorkle was helping General MacArthur revise Japan's prison system when he was called to New Jersey to take over the new correctional project there.

McCorkle's sessions are usually spent in the midst of hardened criminals whom he urges to discuss their problems with the group. He attempts to teach two things: first, your problems are not peculiar to yourself; second, if you want to change, you can.

A sociology student, McCorkle received his bachelor of arts degree from Juniata in 1940. While a student under the guidance of Dr. Fayette A. McKenzie, he did institutional social service work at the Pennsylvania State Institution and was later appointed a student intern there.
